## **Croydon Recorded Music Group**

### **Founded 1945**

(Affiliated to the Federation of Recorded Music Societies)

Croydon Recorded Music Group meets on 2nd & 4th Friday of each month except during August and there is only one meeting in December and March/April depending when Easter falls. We listen to recorded music on CDs mainly from within the genre of classical music, but in recent times this has included Jazz and music from the world of film and theatre. Presentations are given by our own members, as well as members from other music societies and professional speakers involved in the music industry.

### **LOCATION**

St. Mildred's Church Centre is located on the corner of Bingham and Sefton Roads which can be accessed from Shirley, Lower Addiscombe and Addiscombe roads. Meetings are held in the Pavilion Meeting room which is accessed via the side path next to the church. The meetings are designed like a music recital with an interval for refreshments.

### **FACILITIES**

Toilet and kitchen facilities
