

Oval Road and Cedar Road residents

OBJECT & save your life being watched from a balcony

Facts about development:

- **Area is already overdeveloped** another 36 units are planned, up to 4 storeys high
- **No parking** is provided
- **Too dense**, row of small flats packed in between back gardens of Oval Road and Cedar Road
- **Not inkeeping with area** development has windows, terraces and balconys on both sides, causing privacy issues
- **Right of light** proposed buiding is higher then the current warehouse, so will cast a shadow in your garden
- **Fire safety**, poor access for fire brigade vehicles and no turning point

Cedar Road Gardens
